

KUMUSHA

Kumusha in the Zimbabwean Shona language translates to 'your home', 'your roots' or 'your origin'. Through a collaborative process where I respect the vine, the winemaker and the consumer, I try to build a brand of wines that represent and honour their roots.

CHENIN BLANC

2026

Tasting Notes

Fresh, juicy and full of summer fruit, with aromas of pear, white peach and lime. The palate brings ripe cantaloupe and papaya, balanced by bright natural acidity and a crisp, dry finish. A refreshing Chenin that's easy to enjoy.

Perfect with a Chicken Caesar Salad or lemon & herb spatchcock chicken.

Winemaking

This Chenin Blanc brings together grapes from three uniquely different vineyards. One naturally high-acid vineyard delivered an especially small crop this year, giving the wine loads of freshness. The other two vineyards added beautiful fruit concentration and richness, creating a balanced wine with plenty of character.
