

KUMUSHA

Kumusha in the Zimbabwean Shona language translates to 'your home', 'your roots' or 'your origin'. Through a collaborative process where I respect the vine, the winemaker and the consumer, I try to build a brand of wines that represent and honour their roots.

Winemaking

The 2026 vintage delivered healthy, expressive fruit with excellent natural balance. Careful vineyard management throughout the growing season and precise harvest timing allowed us to capture the vibrant freshness and purity that define this Cinsault.
