

KUMUSHA

Kumusha in the Zimbabwean Shona language translates to 'your home', 'your roots' or 'your origin'. Through a collaborative process where I respect the vine, the winemaker and the consumer, I try to build a brand of wines that represent and honour their roots.
- Tinashe Nyamudoka, Sommelier

SAUVIGNON BLANC 2026

Tasting Notes

Bright, fresh and full of personality, this Sauvignon Blanc bursts from the glass with tropical fruit aromas. Think ripe melon, passion fruit and juicy guava, with a lively freshness that keeps you coming back for another sip. It's vibrant and easy-drinking, but with enough natural acidity to give the wine structure and a lovely sense of length.

Winemaking

The 2026 vintage gave us some really exciting white grapes, with the Sauvignon Blanc showing particularly good natural acidity and a low pH — exactly what we like to see for a fresh, expressive wine with the potential to develop beautifully over time.

We focused on preserving the natural fruit and freshness of the grapes, allowing those vibrant tropical flavours to shine through. The result is a Sauvignon Blanc that is bright, refreshing and full of character, with the balance to be enjoyed now while still showing promising ageing potential.

REGION: WESTERN CAPE

Alc 13.07 %	TA 6.1 g/L
RS 2.6 g/L	pH 3.33

NATURALLY FERMENTED
VEGAN FRIENDLY
