

KUMUSHA
WINES BY TINASHE NYAMUDOKA

THE JOURNEY

Meaning 'my home, my roots, my origin' in Shona, Kumusha is a tribute to where we come from.

Championed by Tinashe Nyamudoka with a well followed journey from Zimbabwe, polishing cutlery to internationally praised Sommelier and leading black-owned African wine in the US. This moving and powerful story drives the subject of *Blind Ambition*, the documentary feature seen by many.

Kumusha combines exceptional vineyard sites with thoughtful winemaking to produce fresh, vibrant expressions that continue to earn global recognition.
