

REBEL REBEL

THE JOURNEY

Rebels to the roots. Independent female-owned and female-made, Rebel Rebel is the project of award-winning *winemaker Kayleigh Hattingh*, born in the chaos of the 2020 vintage to produce premium minimal-intervention wines from site-specific vineyards perched on the slopes of the Bottelary Hills in Stellenbosch.

Kayleigh's approach is uncompromising: the wines are made naturally, with no alterations or adjustments. Just pure terroir. From her flagship Syrah and Old Vine Colombar to her Méthode Ancestrale Verdelho and Cinsaut Pet-Nats - with the Cinsaut winning *Best Value Sparkling* by *Tim Atkin MW* in 2025, every bottle is a direct expression of the vineyard and the vintage. Nothing added, nothing taken away.
