

Three Quarters

KWANTA RED BLEND

2024

Wine Description

Three Quarters Kwanta Red Blend is a Rhône- style inspired wine, blending Syrah, Grenache Noir, and Cinsaut. Each varietal contributes something unique – Syrah offers structure and spice, Grenache Noir brings vibrant red fruit and richness, while Cinsaut lends a delicate floral elegance and freshness. Sourced from three distinct Stellenbosch sites, The blend is tied together with a bow, offering a delicate, elegant balanced wine.

Winemaking

The grapes were harvested separately over the first three months of the year. A 30% whole-bunch Syrah and Cinsaut component contributed spice and brightness to the wine. Natural fermentation was carefully monitored at cool temperatures, with gentle hand punch-downs to enhance extraction. The wine was then matured in neutral oak for 15 months before being bottled.

Tasting notes

Subtle aromas of red cherry, ripe plum, and nuanced spice, complemented by hints of cured meat. The palate is medium-bodied, offering a refreshing acidity with soft, round tannins, leading to a beautifully dry and balanced finish.
